Iconography

- Size:**
- Recommended to maintain a size of **32x32** pixels unless there is a specific requirement for one side to be slightly smaller.
 - ensure that the height of the icon remains consistent at 32 pixels.
 - User profile icons and notification badges should be **38x38** pixels in size. Notification badges should use app colors to draw attention.

Line Width: 2px wide.

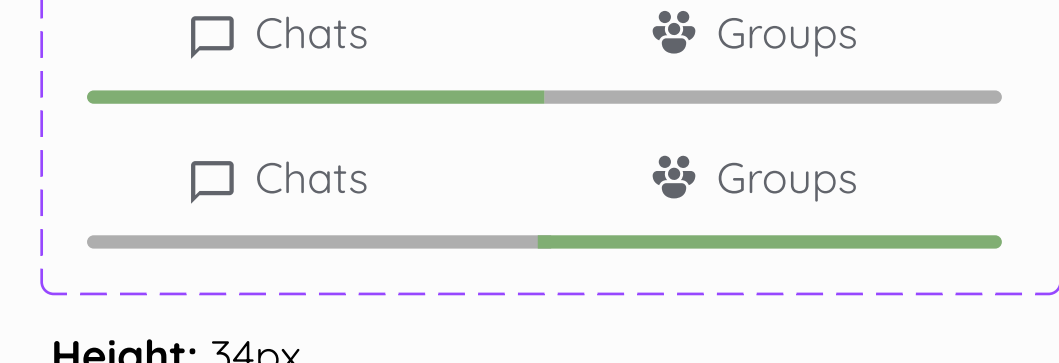

Imagery

Study Together images follow guidelines for **Inclusivity** and **Diversity**, with or without faces, portraying study, **community**, and motivation naturally, not staged.
